Dear Parents/Guardians

Happy New Year! We will have a reward at the end of every week to celebrate those who have been in school for the whole week as part of golden time.

I would like the class to think about what type of reward they would like at the end of the week. It needs to be an activity that takes approximately 20 minutes and that all children could do. Ideas are listed below. Please discuss this with your child and write it on the slip below, returning it to your child's class teacher by **Friday 11<sup>th</sup> January**.

Your child's class teacher will announce the reward on a Monday morning as a surprise: **(What's in the box?)** so that the pupils know what it is that they are working towards.

We have chosen the first reward, whilst we are waiting for suggestions to come in: Sprinkle Stix: bread sticks with sprinkles stuck to chocolate spread. If you do not wish for your child to receive this reward on 11<sup>th</sup> January, please speak with your child's class teacher.

We are looking forward to reading the exciting activities that your children would like as a reward.  
Thanks again for your continued support.
