8th January 2019

Year 6 maths workshop

Dear parent/carer,

I just wanted to remind you that we have another Year 6 parental workshop this Saturday 12th January 2019 at 10am to 12pm in the Junior school. Any parents and children from Year 6 are welcome to attend and these will be led by myself. The aim is to show you some of the methods of teaching maths and skills needed, so you can support your children in preparation for secondary school. If you are not confident yourself, this would be an ideal session for you and your child.

Beccles and Burgh road entrances will be open from 9.45am.

Yours faithfully,

Dr Craig Avieson

Executive Headteacher
