Welcome back

Dear parent/carer,

On behalf of all staff at Wroughton Academies, I would like to offer you a very warm welcome back to our wonderful school. Our mission of 'achieving excellence through hard-work, courage and academic performance' continues, as we embark on a further improved academic year ahead.

I am very excited to share that the new parent reception area will be open within the next few weeks. It is the final piece in joining the two schools together, which will be a significant milestone for parents, pupils and staff.

Year 1 and 2 children will need to continue to enter classes via their new gates, situated outside of their classroom external doors until the building works have finished - thank you for your support with this.

The school information tab on our website contains lots of useful parent information. Important dates for the term ahead, curriculum events and educational visits will also be shared with you shortly through school letters.

Should you have any questions in the meantime, the office staff are available between 8.00am-4pm and are always happy to help.

Yours faithfully

Dr Craig Avieson
Executive Headteacher
