

MODULE: Relationships and Reproduction		By the end of this module pupils should be able to: recognise what constitutes a positive, healthy relationship, be aware of the different types of relationship, including those between friends and families, civil partnerships and marriage, and describe the life process of reproduction in humans.
Block	Learning Objectives	Activity Ideas and Resources
1	Assessment for Learning – what do pupils already know about the topics covered in this module?	Circle time go-round ‘One important thing in a relationship is...’. Reproduction Mindmap, Puberty Problem Page, Conception & Pregnancy Quiz.
2	I can label male and female reproductive body parts. I can explain how and why the body changes during puberty in preparation for reproduction.	Puberty Body Part Cards Runaround; Puberty & Reproduction Q&A; Pictures of male and female reproductive organs; Anonymous Questions box: Teaching SRE with Confidence Yr 6 Lesson 1: http://www.cwpresources.co.uk
3	I understand what makes a positive, healthy relationship. I can discuss different types of adult relationships with confidence. I know what forms of touching are appropriate and inappropriate.	Relationship Pictures – use the photos as a basis for discussion; Diamond Nine Ranking activity about what’s important in a relationship; Different kinds of physical touching: CWP Teaching SRE with Confidence Yr 6 Lesson 2.
4	I can describe some of the decisions that have to be made before having a baby. I know some basic facts about conception and pregnancy.	Relationship Timeline; How does a baby start? sequencing activity; Conception and Pregnancy True or False: CWP Teaching SRE with Confidence Yr 6 Lesson 3. DVD: Living & Growing, Unit 3, Programme 7, How Babies are made: http://www.channel4learning.com
5	I know when it is appropriate to share personal information in a relationship. I know where and how to get support if an online relationship goes wrong.	Relationship Questions (e.g. what does ‘going out’ mean?); Online Communication Scenarios: CWP Teaching SRE with Confidence, Yr 6 Lesson 4. Video clips Jigsaw and Consequences: http://www.thinkuknow.co.uk Keeping Safe Online: SMART rules http://www.kidsmart.org.uk/beingsmart/
6	Assessment of Learning – what did pupils learn in this module?	Circle time go-round ‘One thing I’ve learned about reproduction is...’. Reproduction Mindmap – add new learning in a different colour. Use Anonymous Questions from first lesson to review learning.
