

11<sup>th</sup> November 2019

## Transfer to junior school

Dear parents/carers,

As your child is currently in Year 2, I wanted to remind you that you must apply for them to attend a junior school for September 2020, as despite Wroughton Academies operating as an all-through primary school, we are still legally two separate schools.

As a result of the staff hard work over the last three years, children now experience consistency across both schools in staffing, uniform, behaviour expectations, the curriculum, and our approach to teaching and learning. In addition, we also ensure that Year 2 have a very smooth transition into Year 3.

The application process is now open and closes on 15<sup>th</sup> January 2020. Applications can be made online using the link below <https://www.admissionsonline.norfolk.gov.uk/enrol/>

I do hope Wroughton Junior Academy is your first choice for a Year 3 place, and I am happy to personally meet and answer any queries: [enquiries@WroughtonAcademies.org.uk](mailto:enquiries@WroughtonAcademies.org.uk)

Yours faithfully

Dr Craig Avieson  
**Executive Headteacher**
