

4th December 2019

Physical Education

Dear parents/carers,

Many of our children are enjoying practising our Christmas performances – thank you to everyone who is supporting by helping their child learn song and script lines!

As our rehearsals take place in our Infant and Junior halls and the weather has been cold and wet, we have now stopped PE lessons until January.

2 Blyton and 5 Walliams will have their final swimming session this week.

This term has been a very successful one for PE at Wroughton. Our football teams have performed well in three local tournaments and we look forward to being involved in more sporting experiences in 2020. Thank you also to all parents who have already purchased our new Wroughton PE shirt from Harrisons' School Wear, the children look very smart.

There will be changes to the PE timetable in the Spring term, so we will share this with you before the end of term. 2 Rosen and 5 Morpurgo will be the next classes to swim.

Our current sports clubs will continue until Friday 6th December – information about the clubs we will offer in January will follow.

Yours faithfully,

Mrs J. Snelling

Deputy Head Teacher
