### **Science Visit – Lynn Grove Academy**

Dear parents/carers,

We are delighted to let you know that the children have been offered a chance to work in collaboration with Lynn Grove Academy. This is an opportunity for the children to visit the school science department and take part in science experiments linking to our recent topic of Space.

The children will visit the high school in their classes (with their class teacher) on the dates below.

**R Andersen class will visit on Monday 4th February (1.45-2.45pm)**

**R Murphy class will visit on Wednesday 5th February (9.30-10.30am)**

**R Blake class will visit on Friday 7th February (1.45-2.45pm)**

There is an opportunity for parents to help supervise the children on each visit, so please let your child's class teacher know if you would like to accompany us on the visit, however spaces are limited.

Yours faithfully

Mrs Lucy Oldman  
Reception Lead
