Dear parent/carer,

### Teeth Brushing Workshop

On Monday 20<sup>th</sup> January and Tuesday 21<sup>st</sup> January, Mandie Loades, Oral Health Educator from the CDS-CIC will be visiting the school. She will be running a workshop for Year 3 on the importance of good oral hygiene. The session will include the use of a disclosing dye to highlight the plaque on the children's teeth.

The children will need to **bring** their **toothbrush** to school and will use it to assess their brushing technique. It will not only be enjoyable but a valuable life lesson on looking after teeth and gums.

We feel that it is **important** that **all children take part** in the activity so please return the slip below by Friday 17<sup>th</sup> January 2020.

Yours faithfully

Mrs Sarah Oxborough  
Assistant Headteacher
